19. COMBINATION RATES (Check appropriate box)

- ☐ The rates and charges in this tender may be used as factors in the construction of any combination through charges or other provisions.
- ☐ The rates and charges in this tender may be used as factors to make combination rates and charges and/or from other points of origin and destination, provided that such other points are not more than thirty (30) highway miles distant from the pertinent point of origin or destination named in this tender. The distance shall be measured from (1) the nearest boundary, in the case of designed commercial zones; (2) the nearest corporate limit, in the case of incorporates communities not in commercial zones; or (3) the nearest post office within other points of origin or destination.
- ☒ The rate and charges in this tender may not be used in construction of combination rates and charges.

20. GENERAL TERMS AND CONDITIONS

a. Lawful Performance: Operating authorities

The carrier(s) represent(s) to the United States that the services provided in this tender will be performed in accordance with applicable Federal, state and municipal laws and regulations and the carrier(s) hold(s) the required operating authority to transport the commodity from, to or between the places specified in the authorized certificates, permits or temporary operating authorization.

b. Charges and allowances

Except as otherwise provided in this tender, shipments made under the provisions of this tender are entitled to those additional services and privileges as are provided in separately published tariffs or tenders to which the carrier(s) participate(s), including additional tariff or tender charges, rules and regulations applicable to such services and privileges.

c. Payment

Except for shipments covered by item 21 (3) or 24 (4) below, the carrier shall bill the United States on Standard Form 1113, Public Voucher for Transportation Charges, appropriately supported. Carriers shall send bills to the "Charges to be billed to" address shown in the face of Standard Form 1103, U.S. Government Bill of Lading.

d. References

Where reference is made in this tender to an item, tariff or classification, the reference shall be construed to include the supplements, amendments or reissues of that item, tender, tariffs, or classification, unless otherwise specified in this tender.

e. Cancellation or amendment of tender

This tender may be cancelled or amended by the carrier(s) on written notice of not less than thirty (60) calendar days, except for shipments made from the original point of origin (or port of importation, where appropriate) before the effective date of the notice and except for any accrued liabilities of either party to the tender. Cancellations or amendments may be made upon shorter notice of mutual agreement between the Government and the carrier(s) concerned.

f. Filing with regulatory bodies

The carrier(s) certifies (certify) that, where required, the necessary copies of this tender be filed with the Interstate Commerce Commission as stated in Section 10721 (2) of the Interstate Commerce Act, or with other regulatory bodies, as appropriate.

g. Alterations and volume of traffic

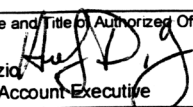

This tender shall not apply where charges for services provided under this tender exceed charges otherwise applicable the same service. Receipt and acceptance of this tender by the Government shall not be considered as a guarantee to the carrier of a particular volume or traffic described in this tender.

21. CARRIER OFFER AND INSTRUCTION

I am (we are) authorized to and offer on a continuing basis the the United States Government (subsequently called the Government), based on Section 10721 of the Interstate Commerce Act or other appropriate authority, the transportation services described in this tender, subject to the terms and conditions stated in the tender. The property to which rates apply must be shipped by or for the Government (1) on the Government bills of lading; (2) on commercial bills of lading endorsed to show that such bills of lading are to be exchanged for Government bills of lading at destination or converted to Government bills of lading after delivery to the consignee; (3) on commercial bills of lading showing that the Government is either the consignor or the consignee and endorsed with the following legend: "Transportation under this tender is for the _____ (name the specific agency, such as U.S. Department of Defense), and actual total transportation charges paid to carrier(s) by the consignor or consignee are assignable to, to be reimbursed by the Government", (4) on commercial bills of lading with the following legend: "Transportation under this tender is for the _____ (name the specific agency, such as Department of Defense, Government), according to cost-reimbursable contract no. _____. This may be confirmed by contacting the agency at _____".

Shirley Gonzales-Barela
NTP SC5
Pennsylvania and H Streets
Albuquerque, NM 87115

Ms. Gonzales-Barela,

Enclosed you will find the FedEx response to your request for quotation for pre-paid transportation. In overview, FedEx allows for the purchasing of pre-paid shipping label stamps to be applied to your shipments (peel and stick). These stamps can be purchased for shipments weighing 0-150 pounds, and the appropriate GSA contracted shipping rate will apply. The following points below are meant to clarify information regarding the FedEx stamp program. For all other questions or concerns, please reference our January 2000 Government Shipping Service Guide, or the Yellow Stamp Terms and Conditions page. Our Government Customer Service line is 1-800-645-9424, and our Stamp Administration Hotline is 901-922-4432.

You may order stamps from 1-150 lbs. (For the weights noted in this bid, 1-5 lbs). To order pre-paid stamps, you must fill out the yellow order form (enclosed) noting the amount of stamps you would like to purchase for each weight break. (For example...you could purchase 10 prepaid stamps for 1lb shipments, 20 pre-paid stamps for 2 lb shipments etc).

Our limited re-weigh policy is as follows...FedEx reserves the right to audit shipments made under the pre-paid stamp program. If for example, a 5 pound shipment is being shipped on a 1 pound prepaid stamp, FedEx reserves the right to submit supplemental billing to the billing address of the shipper. (the nine digit FedEx account number that ordered the stamps initially) This re-weigh process may occur by either the pick up courier of the shipment, or by random shipment auditing done at our sorting hub facilities.

The shipping rates for this prepaid stamp program will be the current GSA domestic rates for Priority and 2nd Day air shipments. The current GSA contract runs through August 15th 2001. **Shipping rates can be found on page 15 of the January 2000 Government customer service guide.**

For shipping terms/conditions, tracking information, edi information, declared value, proof of delivery information, and billing cycles, please refer to the Yellow Prepaid Stamp Program Terms and Conditions....As well as the January 2000 Government Service Guide.

Andy DiFazio will be the main point of contact for all DOE participants in the pre-paid stamp program.

Respectfully,

A handwritten signature in black ink, appearing to read "Andy DiFazio". The signature is stylized with a large, looped "A" and a long, sweeping "Z" or "F" that extends to the right.
